

South Africa Cape Town Area

The Western Cape is one of South Africa's premier tourism destinations and for good reason. The Capital is Cape Town a beautiful cosmopolitan city with the stunning backdrop of Table Mountain and with more than enough interesting sights to keep even the most jaded traveller fascinated.

The region also contains some great beaches, some of the worlds best land based whale watching, cage diving with great white sharks and stunning coastal and Mountain scenery.

The winelands are the gourmet centre of South Africa with delicious food to complement the excellent South African wines produced in this stunning region.

For sports lovers this is also a great place to visit, world class soccer, rugby and cricket venues, great fishing, and sailing and some of the best golf courses in the world.

The good transport network makes this a great place for a self drive holiday which combines well with the Garden Route to the East and a flying Safari to the game reserves further North.

Highlights of the Cape Town Area:

- Taking the Cable Car up Table Mountain
- Whale Watching at Walker Bay
- Cultural and historical tour of Cape Town
- Chapmans Peak Drive
- Visiting the penguins at Boulders Bay
- Gourmet wining and dining in Cape Town and the Winelands
